1. The product pictures and featured effects are for reference only. Please refer to the real product for actual functionality.
2. Each function belongs to different software versions, and the release time and availability may vary by region/country.
3. This device offers PC-like productivity with an 8.32" screen, Boundless View, and OPPO AI, but it is not a full personal computer and may not have all PC functions.
4. Data for thickness, based size and battery are from OPPO labs and may vary due to factors such as color options, testing conditions, measurement methods, and product craftsmanship.
